The Journalism Staff was an interesting and fun-filled group. We tried to enhance school spirit and interest through bi-weekly publications of a school newspaper. Although many times our paper fell short of these standards, we tried to provide an informative and interesting paper that would appeal to all types of IHS students. I hope those who worked on the Journalism Staff had as much enjoyment as I did in putting out our school newspaper, and possibly it may have added another dimension to our high school years.

- DWIGHT GOERING, Editor, School Paper

The school year 1968-'69 - another year gone by. The students of IHS have studied hard and have been involved in many activities. There are many memories instilled in the back of our minds - the bus rides, classrooms, games, lunches, and our dearest friends. In preparing this book the staff tried to capture the memories which made the year a special one for you. I hope the TEUTON will serve to help each of you relive your own special memories.

May, 1969

Time has a way of slipping by. Another school year has come to a close. We have made new acquaintances with people, with objects, with things that are and with things that have been. We have also taken a look at the future. We dream of things that may some day come about.

This yearbook will help to draw together our varied experiences and present them as one great drama, which we will want to review again and again.

To all the students, staff, and friends of Inman High School a hearty thank you and sincere best wishes.

Much is expected of a teacher and great are his rewards. The rewards are not measured by income tax brackets, but are more intangible and ultimately more satisfying. His is the inner satisfaction that comes from helping boys and girls to solve their problems, to understand others, to develop their own inner resources, and to take their next steps toward maturity. To the teacher belongs the satisfaction that comes from a profession which is universally recognized and respected.

Cooks

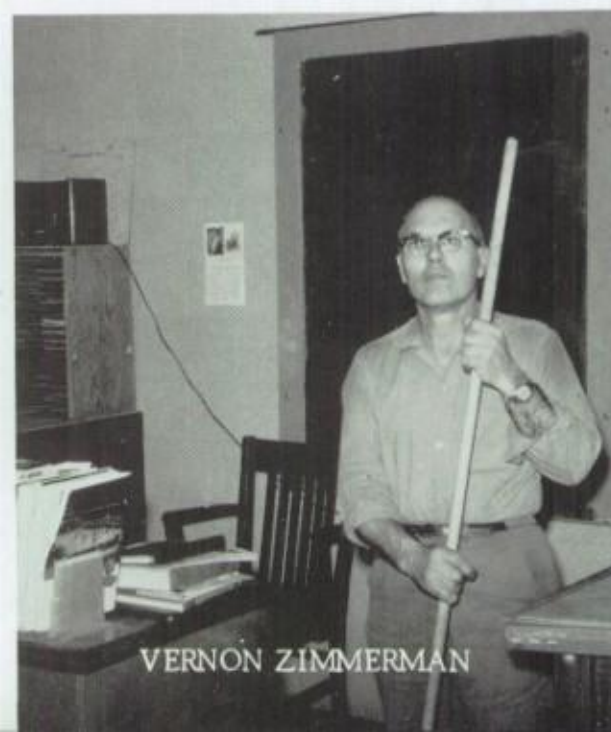

Phyllis and Pauline, the IHS cooks, work hard and consistently preparing well-balanced meals. They manage to keep a steady flow of trays of food coming from the kitchen to the cafeteria. In addition to the friendly smile they offer, their keen sense of humor can be felt throughout the halls of IHS.

Custodians

Custodial personnel are the framework of the school. Their contributions of time and effort add to the educational system of IHS. Windows to be cleaned, floors to be swept, and wastebaskets to be emptied are all part of the broad range of duties that the janitorial staff perform during the school year.

Senior Class Swings

Ahead of forty excited, anxious, and daring seniors is college life for some, and life in the working field for others. We, as Seniors, have enjoyed the many exciting events and will remember all the cherished memories. Memories of being "green Frosh," Jr.-Sr. Banquet, and now graduation.

For our class party this past year we went to Wichita to Frontier Land where some enjoyed ice skating and others miniature golf. Also we had a chili supper to make precious money for sneak. The four years spent at Inman High have been very worthwhile and now memories will always remain.

Now upper classmen, the Juniors been really busy. More of the childish mannerisms are cast off and the class begins a new era in life. The Juniors, who are well on their way, find themselves amid harder studies and varied school activities. Being on the third stop of the ladder, Juniors are pressured with money making projects for the Junior-Senior Banquet and the Senior Sneak.

Fascinating steps of their journey in education include choosing class rings, becoming actors in the Junior play, and serving as organization officers. Both boys and girls are helping out in the athletic department; the girls are working in the concession stands while the boys provide the attraction. Helping them onward with all these activities is their sponsor, Mr. Kenneth Graber.

Junior Class Officers are (l. to r.) Jerry Martens, Treasurer; Sannie Reimer, Reporter; Carol Thiessen, Vice-President; Mary Schmidt, Secretary; and Perry Smith, President.

What happens when an eccentric millionaire leaves his estate - which includes among many assests a Baseball Club by the name of the Chicago White Sox - to the Russian Government?

On November 19 the Class of 1970 presented the answer with Mary Schmidt, Perry Smith, Tim Wiens, Lorie Thiessen, Jim Martens, and Carol Thiessen playing lead roles. And according to Deboria "Friendship ... Love ... I have found here. And love changes things."

CLASS OFFICERS: Murray Penner, Pres.; Duane Cooprider, V.-Pres.; Becky Reimer, Sec.; Cheryl Suderman, Treas.; Jerry Martens, Reporter.

The Class of '71 has survived the exciting and delightful school year of 1968-1969. Everything from a class hayrack ride to dissecting a worm was tried. A drawing for a camera as first prize was held at the Nickerson football game.

Classes such as biology, geometry, English II, and typing kept us out of mischief; and the boys out for sports and the girls out for cheerleading kept us in the news. Mr. Miller, our sponsor, racked his brain trying to think of ways for us to earn money. Too bad we'd rather goof off than work!

Next year will see us as upperclassmen as the Class of '71 becomes juniors!!

The first year of high school has been an exciting and interesting year for the Freshmen. The boys were actively involved in football, basketball and track. The girls took part in nursery rhyme and Charlie Brown skits.

Parties were also a part of their IHS life. In fall they planned a hayrack ride but because of rain it turned out to be a bombardment game. They also had a roller skating party.

The class of '72 is now looking forward to three more fun-filled years at IHS.

INITIATION '68

Forty-two scared, funny-looking Freshmen arrived at IHS on Sept. 6, 1968, prepared for a day of fun (?). Dressed in swim apparel and long johns and carrying various objects, the Frosh got through the day somehow!!!

That evening, the Seniors supervised an "elephant walk" down Main Street (with a police escort) and entertained the Frosh with several games including an egg walk, popcorn jump and mustard game. The fun was topped off with delicious goodies and the Freshmen became full-fledged IHS students.

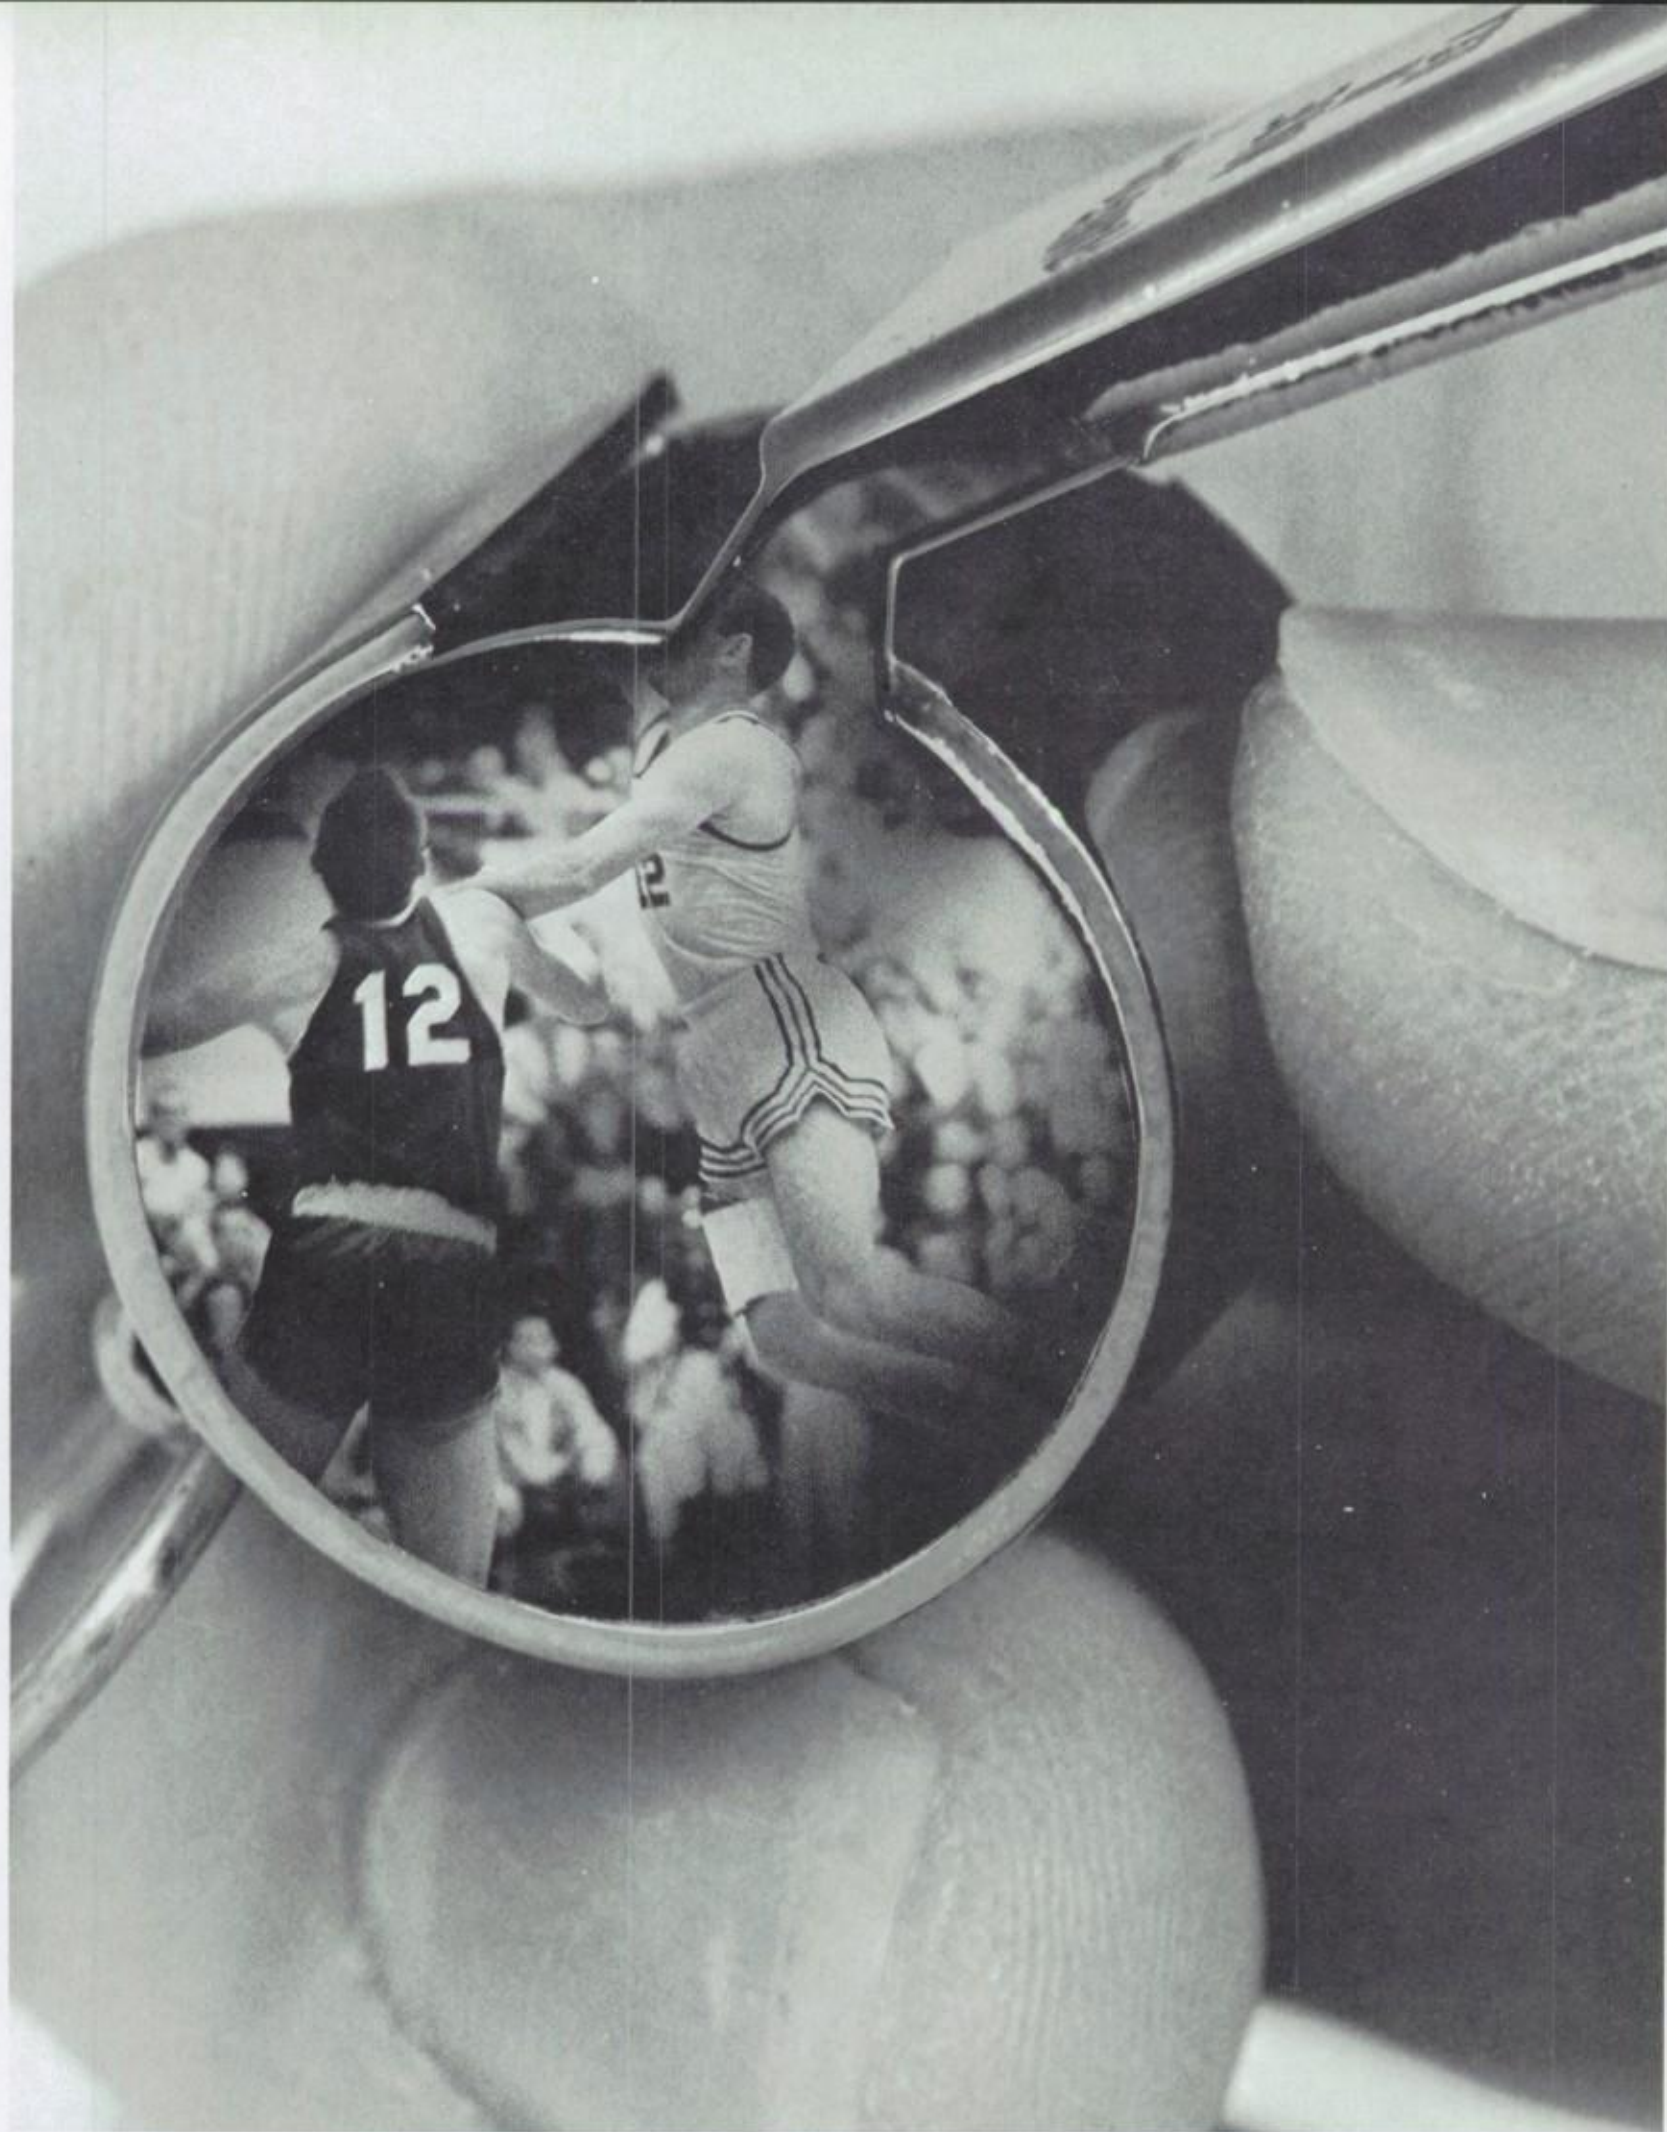

Troubles???

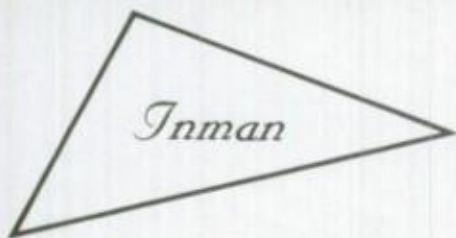

Here come the elephants!

ATHLETICS

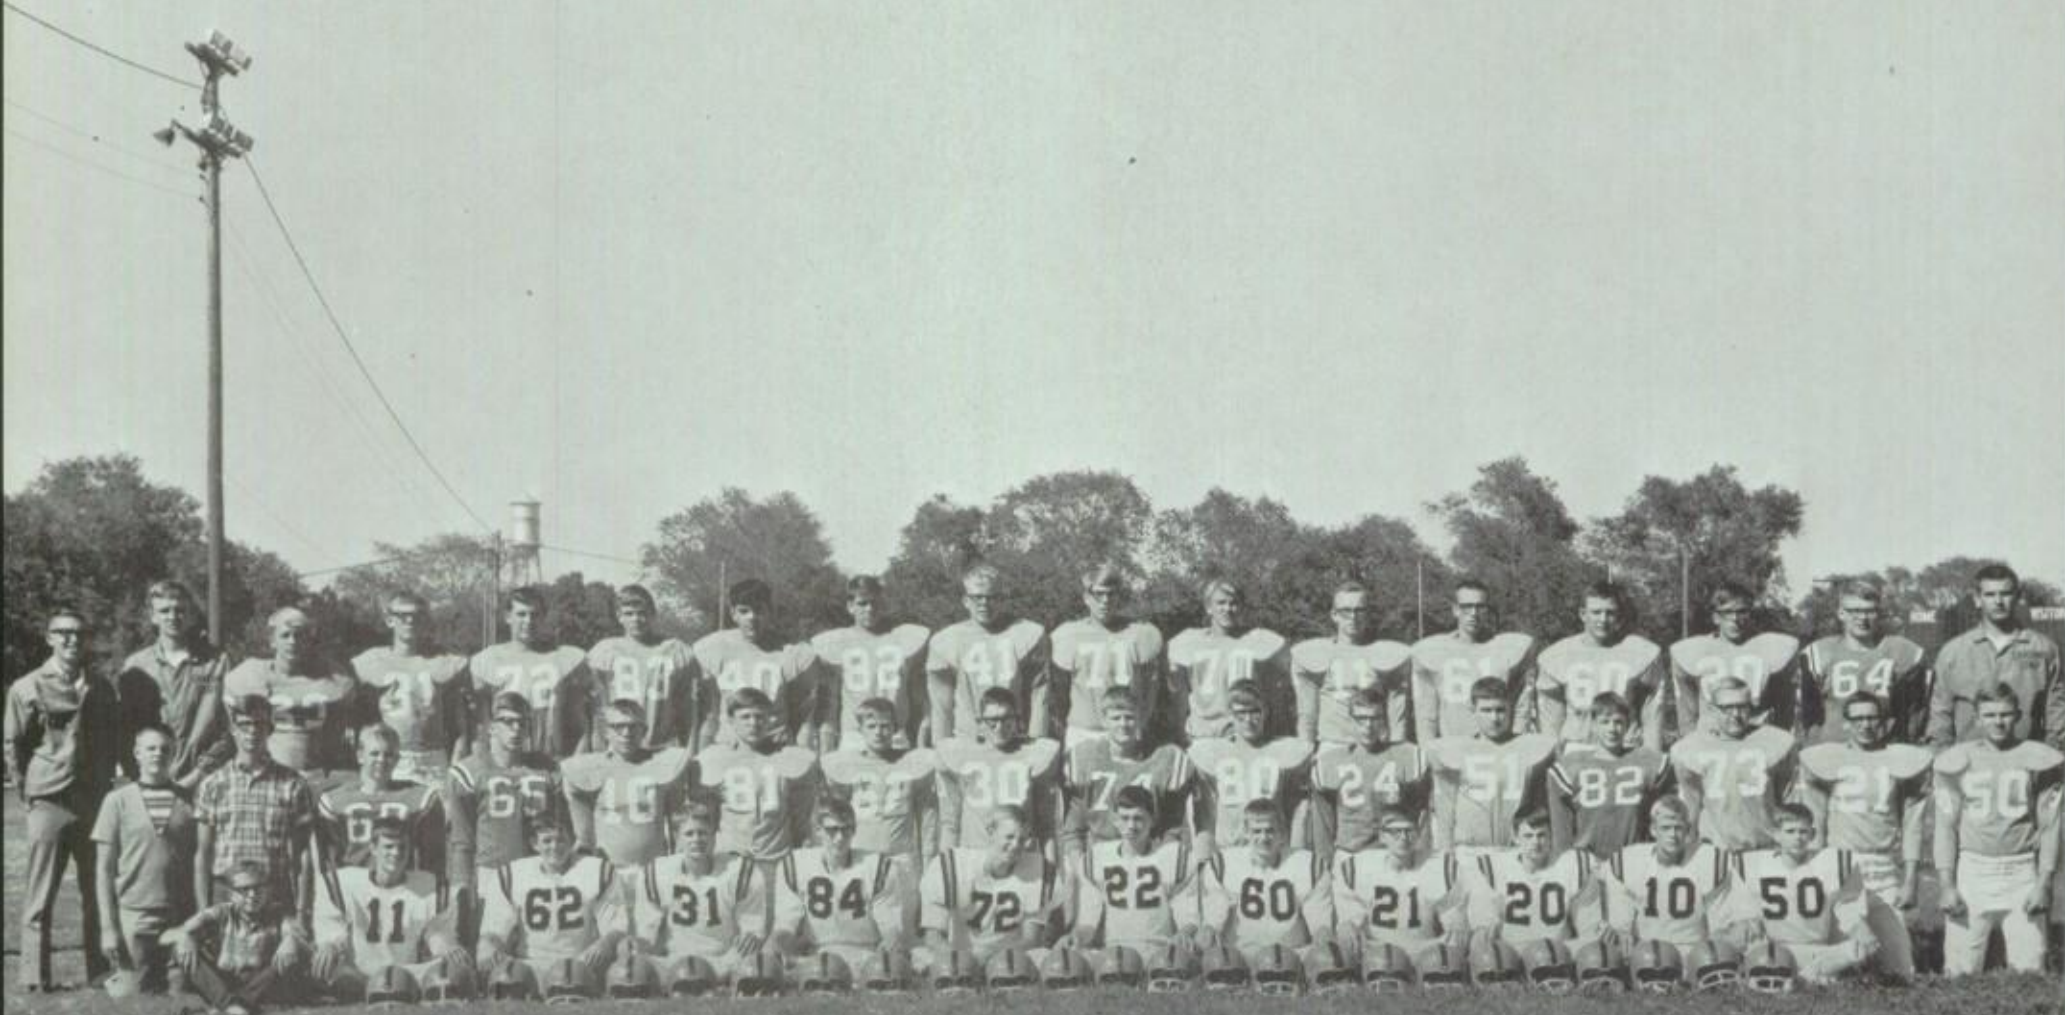

Football

Football - merely a game? It is hard work; five days of practice in preparation for each encounter. It is yards of tape and elastic bandages giving support to injured ankles, knees and elbows - a musty smelling locker room - the heaviness of a perspiration soaked undershirt. It is the agony of playing with an injury, or, much worse, it is the agony of defeat. It is the body wracking pain of a torn cartilage or a broken bone. It is the hopelessness of a big linebacker trying to catch a fleet flanker - the beauty of a great broken field run - the violence of a trap block. It is the precision of a long pass. It is the frustration of missing the winning field goal or dropping a touchdown pass. It is the brotherhood shared by teammates and the respect shared by opponents. It is the taste of blood running from a split lip or a broken nose. It is the tenseness and nervousness of the pre-game wait in the locker room. It is the thrill of releasing that tension by charging out onto the field. It is the popping of pad against pad and the groaning of man against man. It is the satisfaction of beating your opponent, not by simply outscoring him but by outplaying him. Football is desire, discipline, drive, it is indeed much more than a game.

BACK ROW: Coach Don Miller, Coach Tom Worthing, Fred Wiens, Loren Thiessen, Lynn Kliwer, Tim Wiens, Steve Epp, Gary Hull, Delon Martens, George Kliwer, Frank Walker, Johnny Jones, Wayne Reimer, Dwight Goering, Ron Regehr, Jim Martens, Coach Ken Graber. The 1968-1969 Teuton basketball season was highly successful. Although the Teutons failed to reach the state tournament by one game, much was accomplished in developing team and individual character, working as a team, and understanding the agony of defeat. The Teutons won the Century League Tournament, placed third in the MKL and won twice as many games as they lost, winning 16 and losing 8. Three Teutons received all - MKL honors: Gary Hull, 1st team; Delon Martens, 2nd team; and Frank Walker, honorable mention.

The B-team compiled a 10-8 record and played exciting ball through the year. One highlight of the year was the winning of the Inman B-team tournament.

Freshmen completed their first year by winning 6 and losing 6. They finished 4th in the MKL tourney.

INMAN HIGH SCHOOL was lucky enough to gain a new cinder track this year. The track slowly took shape under the watchful eyes of Coach Graber. With late snows and too many spring rains, the job was a headache but it was finally completed in time for our Invitational Meet and the regional Junior Olympics.

Pat

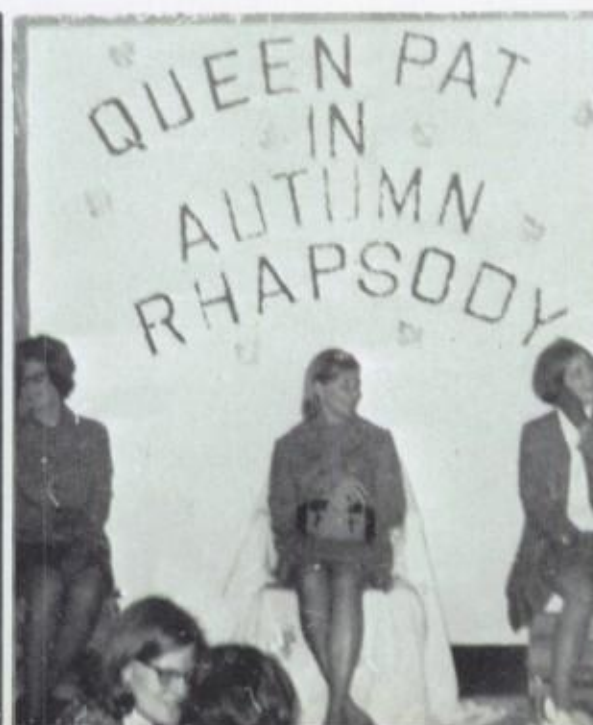

"Autumn Rhapsody"

Pat Neufeldt was named 1968-'69 Football Homecoming Queen on October 11. Queen Pat received a bouquet of yellow carnations, carried by Shelly Stucky, and she was crowned and given the traditional crowning kiss by Co-captain Dwight Goering. The crown was carried by Tim Beck.

Attendants for the homecoming were Denise Lindholm, escorted by Co-captain Gary Hull, Beth Wittorff, escorted by Frank Walker, Linda Kimble, escorted by Steve Epp, and Jane Neufeld escorted by Johnny Jones.

The theme for the festivities was "Autumn Rhapsody," and the special highlight of the evening was a hootenanny by two singers from Bethel College after the Teuton's successful victory, 13-0, over the Nickerson Panthers.

"This Magic Moment"

"This Magic Moment" was the theme for the 1968-69 Inman Teuton Basketball Homecoming. Lois Thiessen, Marsha Becker, and Nancy Lambert were the three candidates chosen by the senior class. The crowning ceremony was held February 14th, and Lois Thiessen was crowned homecoming queen by Co-Captain Delon Martens. Marsha was escorted by Frank Walker and Nancy's escort was Gary Hull. Darcel Friesen carried the queen's bouquet of long stemmed red roses, and Darry Johnson was the crown bearer. Queen Lois and her attendants received a special gift - the 55-47 victory of the Teutons over the Halstead Dragons.

"Swinging Seasons"

The highest honors of Inman High School are May Day King and Queen. This year the two students that were selected by the student body at the beginning of the school year were Dwight Goering and Dianne Johnson. Our IHS royalty represented our school at the Annual May Fete that was held the two nights prior to May Day. They were also in the parade that was held May Day morning.

Dwight and Dianne were honored at a special assembly that was sponsored by STUCO. The program consisted of singing by a group from McPherson College and special surprise by Allen Thiessen.

ORGANIZATIONS

1968-69 FHA BOARD: Pianist, Joyce Neufeld; Freshman Representative, Susan Kenney; Degree Chairman, Mary Schmidt; Historian, Shirley Willems; Treasurer, Carol Thiessen; President, Lois Thiessen; Vice President, Dee Lindholm; Secretary, Marsha Becker; Songleader, Pat Buller; Reporter, Madalyn Hull; Mrs. Epperson, Sponsor.

FHA

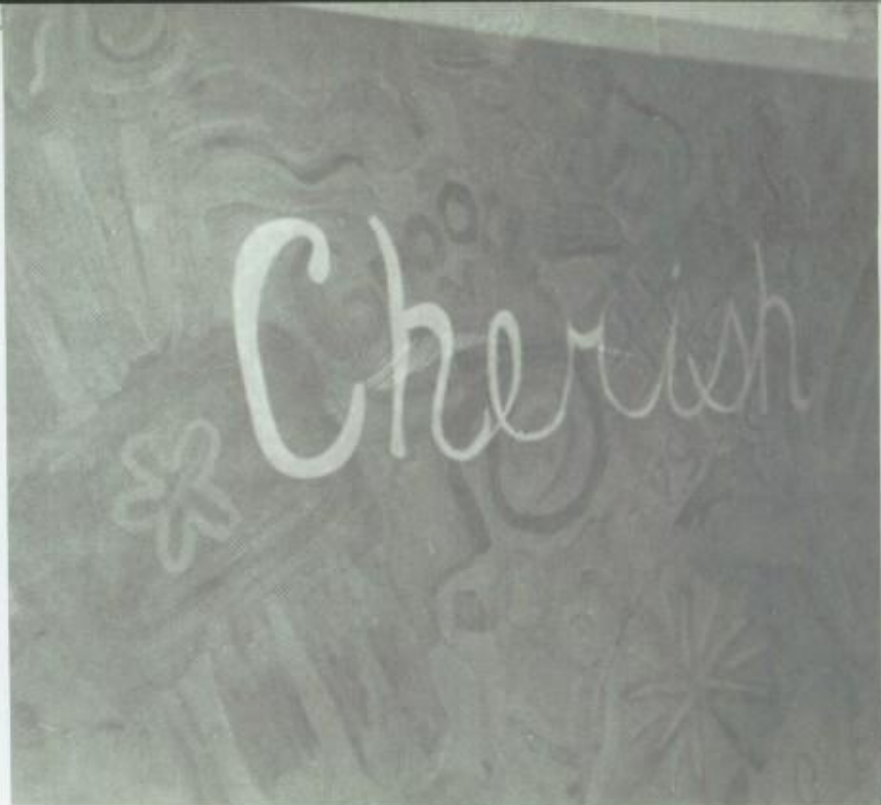

"Up, Up and Away with FHA started an active year for the Future Homemakers of America. Some projects were selling Tupperware, giving a Christmas party for underprivileged kids, Viet Nam Week, and the annual Mock Homecoming. A new project was the point system with the winners going to State Meeting in Topeka. Our monthly programs included a mother-son panel, decorating cookies for the hospital, learning exercises a talent show and the Dating Game.

F H A B a n q u e t

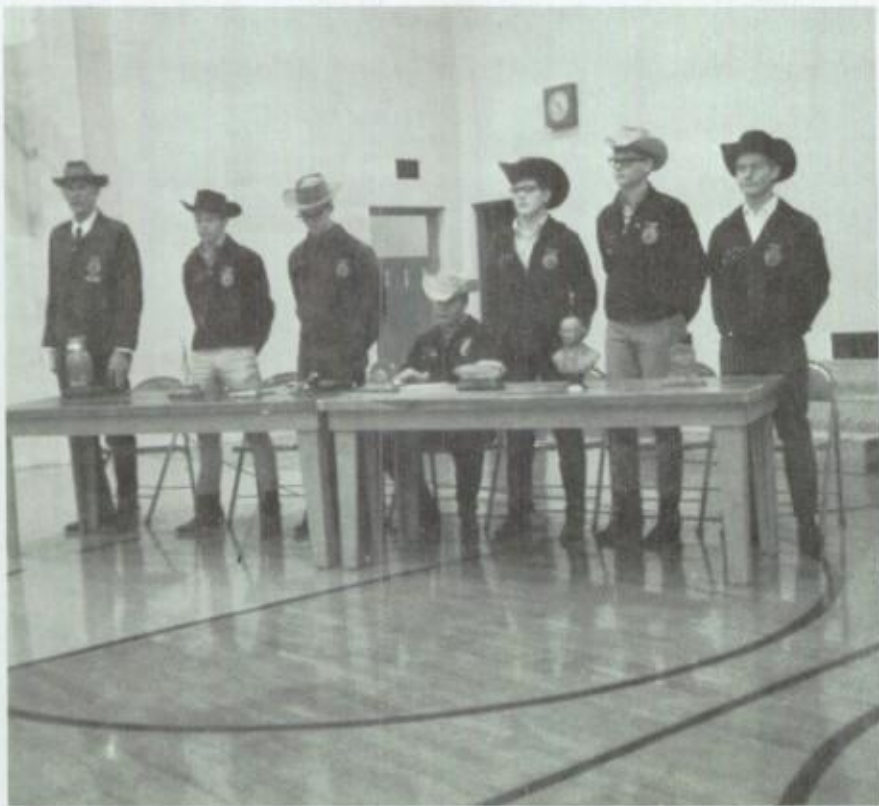

February 17, 1969, was an evening to "Cherish" as the Future Homemakers of America and their mothers enjoyed the annual banquet. A blue and green "modern" painting was the center of attraction on stage. Streamers of the same colors surrounded the auditorium. FHA President Lois Thiessen and her mother, Mrs. Ben L. Thiessen, gave the welcome and response. Pat Neufeldt presented an original monologue. Featured entertainment was provided by the Marion High School Swing Singers.

Although KAYS is still a young organization, it has gained headway this year. The officers traveled to Rock Springs for ideas and knowledge in leadership; the Halloween Insurance brought in money; the student-teacher program went over and the panel study may be carried on again next year; the Kay-Kayette party was fun; and the Dating Game held in connection with Kayettes was enjoyed tremendously. The club has helped students to know, work and share with each other in an enjoyable atmosphere.

President John prepares for program.

Kayettes

"Reach the Unreachable Star"

Many things go into the making of a great organization. It takes 74 enthused girls and a sponsor that is backing you all the way. The Kayettes of Inman High have been busy with many projects and programs that have been very worthwhile. The best school projects were having a soap scrimmage, drink and cookies for semester break, corsages for the royalty, and candy for the teachers at different times of the year. World projects included sending money to Meals for Millions and also sending Diddy bags to Vietnam, I'm sure this was appreciated. The different projects for the community were sending fruit baskets to the Old Folks Home and also making people aware that it was election year. Having a penny mile proved fun and also a good way to earn money. Our finance was also helped along by having a raffle. "Fashions for Your Dreams," set the mood for one of the best programs. Past Kayette members modeled their wedding gowns, the mothers were invited and it turned out beautifully. Some of the other programs included Jr. girls style show, American League of Women, Student-Teacher discussion, Fr. girls Christmas program, and others just as interesting and educational.

The girls worked hard and made it a great year. The meetings and activities carried out by the club this year helped members reach an understanding of what the Kansas Association for Youth is. "Kayettes Forever," may it always hold true.

1968-69 proved to be a busy but rewarding year for STUCO. The year began with the attendance of a STUCO workshop in Wichita. October 31st was the date of the first STUCO-sponsored party, a guided tour through a "haunted house." Other projects and activities throughout the school term were slack and dress-up days, a juke box for the cafeteria, assemblies such as the mock election, and special recognition for honor students. Two activities, a Leap Week Party held at the McPherson YMCA and a celebration in honor of the May Day royalty, ended a successful year for this active and enthusiastic student council.
